

## Iowa AEYC Instructor Training Level Rubric

All presenters at Iowa AEYC training events are considered Adult Educators or Instructors and must complete the Iowa AEYC Adult Educator/Instructor Application & Agreement and meet the appropriate qualifications to be eligible to provide professional development trainings for approved Iowa HHS training credit hours through Iowa AEYC. The area of expertise provided should match the topic and content of the training provided.

**Please see the guide below to determine your Instructor Level**

Education Level	Instructor Level
<input type="checkbox"/> Child Development Associate (CDA) Credential	Level I
<input type="checkbox"/> Associate Degree <i>In early childhood education or closely related</i>	Level II
<input type="checkbox"/> Bachelor's, Master's, or Doctorate Degree <i>In early childhood education or closely related</i>	Level III
<input type="checkbox"/> License, certificate, or other professional credentials in area of expertise	Specialty Instructor/ Guest Speaker

**Level I, II, and III Instructors must meet the following qualifications:**

- Minimum three years experience in early childhood education or closely related field.
  - Minimum of six hours successful experience as a trainer in the past three years.
  - I have completed a minimum of a 90 min Adult Educator Training from Iowa AEYC, CCR&R or another approved organization in the past three years.
- Effective January 1, 2024**

**Or, fall under one of these categories:**

- I will be presenting with a qualified presenter that meets the above requirements.
- I am a Specialty Instructor/ Guest Speaker.
