

What People are Saying about T.E.A.C.H.: Evaluation Feedback

Data was collected from the 2023 T.E.A.C.H. scholarship recipient and sponsoring program surveys.

Would you recommend the T.E.A.C.H. Early Childhood® Iowa program to other people working with young children?

“It really helps to lessen the burden of college costs, and allows you to go at your own pace to earn a degree. The extra paid time off work and bonus at the beginning really helped me out.”

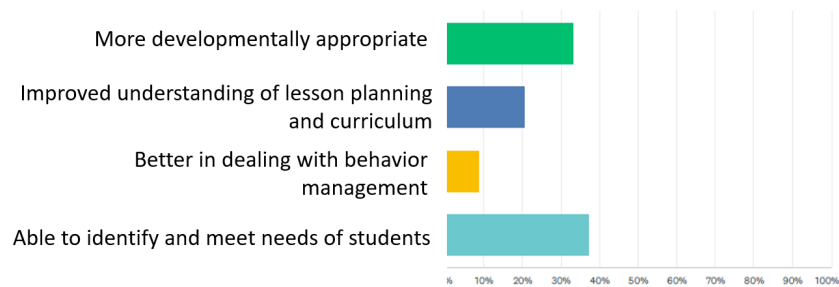

“I think it’s a great opportunity to help those who need it. Working with children is not as easy as people may think but TEACH makes it rewarding.”

I would absolutely recommend T.E.A.C.H to anyone working in Early Childhood to further their education. It not only helps financially but the counselors are a wonderful support”

How Has T.E.A.C.H. Helped You?

After attending college classes, T.E.A.C.H. recipients perceive their skills as a teacher to be:

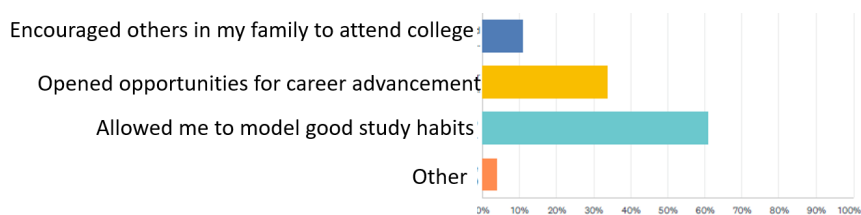

“I have been able better assess my students to provide developmentally appropriate activities and helped me create more productive lesson plans to meet their needs.”

“I have new techniques to handle behaviors”

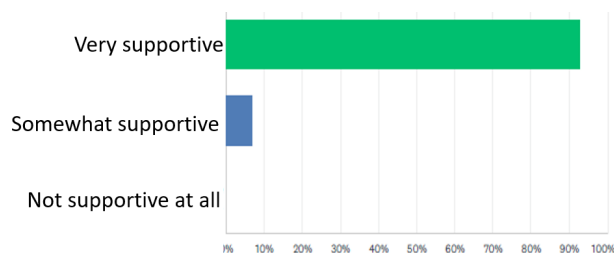

“Teaching students in a way that meets learning objectives instead of just planning activities for busy work.”

“I have learned SO much! By learning how to teach social/emotional skills in a developmentally appropriate way it has helped me build relationships with my students and helped them navigate their feelings and the feelings of others and express those feelings in appropriate ways thereby modifying behavior in the classroom.”

How has participating in T.E.A.C.H. impacted your family?

Were the T.E.A.C.H. staff helpful?

“I wouldn’t change a thing. I know I can reach out wherever I need assistance and she [my T.E.A.C.H. counselor] helps me stay up to date with what I need to do and turn in.”
