## PAEYS

### Frequently Asked Questions

#### What is PAEYS?

PAEYS stands for Performance and Education Yield Success and is a project that provides performance- and education-based salary supplements to the family support workforce employed by a MIECHV-funded site in Iowa. The project is designed to increase employee retention, education, performance and compensation.

#### Who is eligible to receive a salary supplement?

Any family support professional or supervisor of family support professionals who provide direct service in a MIECHV-funded site in Iowa may be eligible. The individual must work at least 10 hours per week funded by MIECHV (.25 FTE) and maintain a caseload or supervise individuals that maintain a case load of at least three families. The recipient must also have a level of education that appears on the PAEYS supplement scale. Please contact a PAEYS counselor at Iowa AEYC for more information about specific eligibility requirements or visit our website for more information.

#### How much will I receive?

Salary supplement amounts are tied to the recipient's level of education. Checks are issued each three months (quarterly). The amount received will reflect time worked during the three-month period and successful completion of individual performance benchmarks. Eligible individuals will receive between \$400 and \$1,200 annually.

#### What do I have to do to participate in PAEYS?

Complete an application and provide proof of college education earned.

#### How are supplements received?

Checks are typically sent to eligible participants on a quarterly basis, following verification of employment and successful completion of individual benchmarks, as confirmed by the Iowa Department of Public Health.

#### How can I increase the level of the supplement I receive?

PAEYS participants at Levels 1 & 2 can increase their supplement amounts by gaining more education. Iowa AEYC and the T.E.A.C.H. Early Childhood® IOWA project offer scholarships to family support professionals who want to earn college credits toward related credentials or degrees. Contact T.E.A.C.H. Early Childhood® IOWA (515-331-8000 or [teach@iowaaeyc.org](mailto:teach@iowaaeyc.org)) for more information. Participants are encouraged to send PAEYS an updated transcript after the completion of any formal coursework so staff can determine the highest possible award.

**Do I have to pay taxes on the supplement I receive?**

Yes, because the salary supplement is income. Participants will receive an IRS-1099 form at the end of the year if they received \$600 or more from Iowa AEYC during the calendar year. Recipients are responsible for reporting and paying personal income taxes due.
