WHAT WILL T.E.A.C.H. PAY FOR?

T.E.A.C.H. scholarship contracts are for one year each, supporting tuition for up to 15-20 credits, books, release time (paid time away from work to balance school, work, and family responsibilities), travel costs, and an annual bonus or raise. Scholarships also support part-time student status.

HOW DO I CHOOSE A MODEL?

T.E.A.C.H. has three basic models for full time center staff. In all models, teachers contribute 10% of the cost of tuition and books and programs provide paid release time. A Counseling Specialist can help you choose the model that works best for your program.

- **The Raise Model**: programs contribute 10% of the cost of books and tuition, and agree to provide a 4% (or greater) raise, above any raise all staff receive.

- **The Bonus Model**: programs contribute a percentage of the cost of tuition and books, and agree to contribute toward a bonus.

- **The Plus Model**: (for programs that cannot provide a raise or bonus) programs contribute a higher percentage of tuition and books and T.E.A.C.H. pays the entire bonus.

HOW SHOULD I OFFER RELEASE TIME?

- Offer release time during rest time so scholarship recipients can study or use the center’s computer and other resources for papers and class projects.

- Schedule release time when classroom ratios are down. Recipients can come in late or leave work early and, if necessary, directors can use staff from other classrooms to substitute.

- Pay recipients for their lunch breaks.

- Accumulate release time and provide a whole or half day off before a test, final exam or when a class project is due. This will give scholarship recipients extra time to prepare for these big events.
WHAT IS EXPECTED OF MY PROGRAM?

- Contribute a portion of tuition and book costs.
- Provide teachers paid release time each semester, if applicable.
- Award the teacher either a raise or bonus upon completion of the one-year scholarship contract, if applicable.
- Notify T.E.A.C.H. if employment status changes.

WHAT IS EXPECTED OF SCHOLARSHIP RECIPIENTS?

- Attend classes and successfully complete at least 9 credit hours during the T.E.A.C.H. contract year.
- Continue employment at your program for an additional year, upon completion of the contract year.
- Contribute 10% of tuition and book costs for each course.

CAN MY PROGRAM AFFORD TO SPONSOR STAFF?

Chances are, yes. The important question is whether you can afford NOT to sponsor your staff. As many directors know, addressing turnover is expensive and time-consuming; the costs can range from several hundred dollars per employee to nearly 1.5x an employee’s annual salary. The national turnover rate in early care and education is about 30%, while for T.E.A.C.H. scholars, the turnover rate is only around 5-6%.

WHAT IS RELEASE TIME?

Release time is paid time away from work to balance school, work, and family responsibilities. Recipients receive up to 48 hours of release time per semester, pending model type and course load. It is reimbursed at $15/hr.
FREQUENTLY ASKED QUESTIONS

CAN STAFF PARTICIPATE IN BOTH T.E.A.C.H. AND WAGE$?
Yes! The T.E.A.C.H. Early Childhood® Iowa scholarship program and the Child Care WAGE$® Iowa salary supplement program go hand-in-hand. T.E.A.C.H. supports someone to increase their education as they work their way up the WAGE$ scale and increase their education. Participants in both programs can receive compensation from T.E.A.C.H. and stipends from WAGE$ simultaneously. Ask us how to participate in both programs!

HOW MUCH WILL IT COST?
Costs vary depending on how much financial aid an employee receives, how many courses they take, book costs, and which model is chosen. T.E.A.C.H. Counselors are able to provide an estimate tailored to your program. Calculate your costs: iowaaeyc.org/programs/teach/scholarship-savings-calculator

HOW DOES THE MONEY FLOW?

1. Let your T.E.A.C.H. Counselor know what course(s) you’ve registered for. T.E.A.C.H. will let your college know which courses will be paid for.

3. Center staff send Form C detailing your release time and all recipients send semester grades to your T.E.A.C.H. Counselor. Recipient & program receives either a check or invoice from T.E.A.C.H.

*Recipient receives bonus or raise upon contract completion
The Child Development Associate® (CDA) Credential™ is a nationally recognized credential earned by those working in the early care and education field. The credential is based on a core set of competency standards and includes an assessment process by the Council for Professional Recognition.

Our CDA Navigators work side-by-side with CDA Candidates to support and facilitate the CDA process across the state of Iowa. They also build partnerships with community colleges and other training entities that provide education and training for the early childhood workforce. If you’d like to pursue your CDA and want the support of our Navigators, send an email to cda@iowaaeyc.org.
